Camp Wa-Ya

WE ARE HIRING

Seeking Full-Time Outdoor Lead Instructor

Do you love to be outside? Do you love sharing STEM knowledge with youth 6-17 years old?

The Lead instructor will lead lessons centered around STEM curriculum. This will be in combination with indigenous practices and arts, outdoor adventure, and how to be a good steward of the environment. Instructors will be expected to teach topics such as basic mathematics, engineering, and how to use simple technologies (i.e. microscopes, compasses, etc.). These will be integrated into the teaching of different natural sciences, such as biology, geology, ecology, climatology, and more. Finally, the instructors will also be leading outdoor pursuits such as hiking, kayaking, yoga, and art projects. The Instructor will work alongside at least two counselors and an educator. Must be undergrad or graduate.

Combine your passion with your work! Inspire, lead, and educate!
Specific responsibilities for this position include:

- Responsible for the safety of all participants
- Overseeing camp counselors
- Coach large groups of youth and lead outdoor instructional events
- Work with youth from all backgrounds including low income and foster youth.

40 hours/ Week June-August- great summer employment for students looking to enter fields in STEM or conservation. Compensation is $15 per hour.
